

WALKER ROAD IS PROMISED

"Work on the Walker road is already included in the regular program for county road work," said Chairman W. W. Midgley of the board of supervisors, in talking the matter over with the members of the chamber of commerce attending a meeting with the board yesterday morning.

"When county road work was curtailed, it was necessary to take the man off the Walker road," said Midgley, "but we can assure you that the road to Walker will be put in passable condition."

The board of supervisors was thanked by President Yount and by Manager Ackerman of the Sheldon mine, for this assurance.

With the program of operation and development outlined by the Sheldon Mining company, this district will be proven within the next several months. The showing at the Sheldon now is one of the most gratifying in the county and particularly to the Walker district.

RESTORATION TO ENTRY OF LANDS IN NATIONAL FOREST.

Notice is hereby given that the lands described below, embracing 355 acres, within the Coconino & Prescott National Forests, Arizona, will be subject to settlement and entry under the provisions of the homestead laws of the United States and the act of June 11, 1906 (34 Stat., 253), at the United States land office at Phoenix, Arizona on July 22, 1921. Any settler who
